Made by D.S.I. MacAdie *Forwarded by* D.I. Crawford

Vide Special Branch File No. D.5364.

Alex Bor, Russian Jew, was born in Harbin and came to Shanghai in March 1938. He has been a resident of the French Concession since his arrival here. He joined the Jewish Company, S.V.C. in April, 1938.

It has been learned from the French Police that all Foreign applicants to join the French Forces are made the subject of enquiries by the French Police and any letter which might be given to applicant by the Municipal Police will not serve the applicant in any manner.

Since the applicant's only connection with the Settlement is his service with the S.V.C. and since he is obtaining a letter from the commanding officer of his unit, the Jewish Company, it is respectfully suggested that the applicant be referred to the French Police.

There is nothing in the records of the Municipal Police to the applicant's detriment.

Dear Sir:

In order to secure a visa to several of the South American countries I am requested to produce a police card . I do not know whether you have such a form but it may be that you can write a letter which would serve in place of the card.

I arrived in Shanghai in March 1925 and lived there ever since with the exception of occasional trips for homeleave or for business. This time I left Shanghai on the President Coolidge, Jan. 16, 1940.

I am planning a trip to South America on business and it would be greatly appreciated if you could give me a letter or card stating that my police record in Shanghai is satisfactory for the period indicated.

Sincerely yours,

Kent Lutey

Sir,

I wish to proceed to Melbourne University with a view to obtaining a degree in Chemistry, and in the "application for Permit to enter Australia" clause (13) is " Neither I nor any member of my family has ever been in prison or in a mental hospital.
(To be supported by a certificate from a police officer or other public official)."

Not having a family this clause applies only to me.

Will you please inform me whether or not I can obtain such a certificate from the S.M.C.Police and what steps I must take to apply for same.

An early reply will be much appreciated.

Yours faithfully,

Dear Sir:

In order to obtain a visa for several South American countries, it is necessary to have a letter or a card from the Police which indicates that the person is of good character and without any serious police record. I expect to be travelling to South America, leaving here on the "Pres. Honorable Sir:

I want to make application for a "Section 6 Certificate" for Miss Jean Hsing, my Chinese coworker. She is hoping to go to America for further study in the Moody Bible Institute where she has been accepted as a student for the coming year, beginning in September.

Miss Hsing is twenty-nine years of age. She was born in Pikow Manchuria the second day of the third month, 1911. Her father and mother, Mr. and Mrs. Hsing Fu-sen are living in Manchuria still. Miss Hsing graduated from a Danish Mission school in Manchuria in 1930 and then taught school three and a half years. In the fall of 1934 she came to Shanghai and entered the Bible Seminary for Women then located in Kiangwan, but is now at 749 /81 Yuen Yuen Road. She graduated from this institution in the summer of 1936 and in September came to Taichow where she has lived and worked these four years.

Miss Hsing is a fine Christian young woman and I unreservedly recommend her for receiving a certificate from you.

I will appreciate it very much if you will give this application your consideration and grant the certificate at your earliest convenience.

Respectfully yours,

Marguerite Nugent

Subject Miss A. Bartulis, applicant for a certificate of character.

Made by D.S.I. Prokofiev. Forwarded by Supt. J. Mason.

Miss Antonina BARTULIS, Latvian, was born on December 25, 1917 at Krieveja, Latvia. According to her own statement, she resided at Harbin from her early childhood until some time in 1932 when she arrived in Shanghai together with her parents. Her father, Mr. L. Bartulis, a mechanic by occupation, is reported to have been employed with Arc Welding & Die Casting Works, Ld, 817 Wuting Road, until 1939, after which he left for Australia. His present address in that country is given as 587 Dowling Street, Moore Park, Sydney, N.S.W.

While in Shanghai Miss Bartulis is not known to have any regular employment and was supported by her father. During the last year she has been residing together with her sister, Mrs Valesiuk, a dressmaker, whose present address is 613 Avenue Joffre, House 7.

The applicant holds passport No.002532 issued on 3-4-39 at Riga through the medium of the Finnish Consulate-General at Shanghai, good for travelling to all countries except Spain and valid until 1942.

It appears from her own statement that her father has applied to the Australian government on her behalf for a visa to enter Australia.

The Bartulis family are known to the Secretary for Latvian Affairs at the local Consulate-General for Finland as respectable people.

There is nothing in the Municipal Police records detrimental to the character of this person.

I hereby beg to request you to authorize the issuing to me of a police certificate to the effect that I am a loyal person and have nothing to do with any political and criminal activities, that during the period of my residence in Shanghai, i.e. from September, 1931 to date, I have not been charged before any court in connection with any such activities and that there are no objections on the part of local authorities to my departure from Shanghai.

Subject Mrs. Lily Agnes Yee (Stateless) - application for certificate of character.

Made by D.S.I. Logan Forwarded by D. I. Crawford.

Reference the attached letter dated December 12, 1940, addressed to the Commissioner of Police by Mr. William Christian Arthur Wolnizer or Wolnitzer (British) employed in the P. H. Department, S.M.C. and residing at Lane 684, House 3, Changping Road, requesting a certificate of character in respect of his mother-in-law, Mrs. Lily Agnes Yee (Stateless) which is required in connection with her application to enter Australia. According to Mr. Wolnizer, Mrs. Yee was born in Maryland, California, U.S.A., of American parents, in or about 1878, and was left an orphan shortly after having been brought to China by her parents when she was about one year old. She is not in possession of an American passport or any other papers as to her nationality. Mr. Wolinzer claims that she is of Caucasian race but enquiries by the Special Branch indicate that she is either pure Chinese or Eurasian. Nothing detrimental to her character is known to the Police nor has she, at any time, as far as can be ascertained, ever been an inmate of a mental hospital. For the past 27 years she has lived with her daughter and son-in-law and is of good reputation.

The Commissioner of Police,
Shanghai Municipal Council.

Sir:

I am an employee of the Shanghai Municipal Council, in the Health Department of which I have been working for the past fourteen years. Recently, however, I sent in my resignation, with the intention of taking my whole family to Australia early next year. Among those I intend taking with me is my mother-in-law, Mrs. Lily Agnes Yee, who is sixty-two years of age. She is of American extraction, but has no passport papers because, amongst other things, she was brought out to China from the States by her parents when she was about a year old, and then she was left an orphan.

In these circumstances I am applying to the Australian Government for a Landing Permit, one of the provisos of which is as follows:-

> "Neither I nor any member of my family has ever been in prison or in a mental hospital.
> (To be supported by a certificate from a police officer or a public official).

I shall be extremely grateful if you will issue her with the necessary certificate. I have been residing in China for the past twenty-seven years, during which time Mrs. Yee was constantly with me. As she has no relatives other than my wife and children I am sure that the issuance of the certificate will present no difficulty.

Your early reply to this request will be very much appreciated.

Yours faithfully,

W W Johnson
